All About Easter

Easter, one of the most important holidays in Christianity, celebrates the central event of the Christian faith: the resurrection of Jesus Christ after his crucifixion. This event is significant to Christians because, through his death and resurrection, Jesus suffered for the sins of the world, yet was able to overcome death.

Easter is observed on the first Sunday after the full moon that occurs on or after the vernal equinox (the first day of spring). According to the Bible, the events of the crucifixion and resurrection occurred during the Jewish Passover, a springtime celebration.

Easter is preceded by Lent, a 40-day period of fasting and repentance that begins on Ash Wednesday. The Sunday before Easter is Palm Sunday, the day that Jesus arrived in Jerusalem.

The week before Easter is called Holy Week.

During Holy Week, Christians observe Maundy Thursday, when the Last Supper with Jesus and his disciples took place; and Good Friday, the day of the crucifixion. The resurrection is then celebrated on Easter Sunday.

Children often participate in Easter egg hunts and look forward to visits from the Easter Bunny, who is said to deliver candy and eggs during the night. Eggs and rabbits were once used as fertility symbols during ancient springtime festivals, but now represent new life when associated with the Easter holiday.

An Easter Promise

*The angel said to the women,
"Do not be afraid, for I know that
you are looking for Jesus, who
was crucified. He is not here; he
has risen, just as he said. Come
and see the place where he lay."
—Matthew 28:5-6 (NIV)*

Fragrant Forecast

Loved by many people, there's actually a name for the unmistakable scent of rain: petrichor. When certain plants and soil-dwelling bacteria get wet, they release oils and chemicals that create the earthy odor.

Sky Watch: Full Pink Moon

April's full moon, the Pink Moon, does not actually appear pink in color. Native Americans gave this month's moon its name for a pink wildflower that blooms in spring.

ED CORNER

April Showers Bring May Flowers

As we step into the springtime and enjoy all the wonderful things around us, let's remember to help protect the most precious thing around us: our seniors! As a community, we want to strive to provide a safe and loving home for your loved one. Please be sure to protect their valuables. They should not keep large amounts of cash in their rooms. They are welcome to have their cash protected by keeping it in our Business Office. Also, be sure that you are reinforcing to them (as we do) that they should not give cash or valuables to staff or strangers that enter our community. Although we consider this their home, there are many people that come and go on a daily basis; so together, let's keep them safe and happy. Smiles, Becky
