April Showers Bring May Flowers!
Extra sunshine and warmer weather are upon us! Please be sure to clean out all of the extra unused things in your rooms and homes! We will be starting a donation box for a local charity so please feel free to donate any household, clothing, or nonperishable food items! Making sure you have room to put your artwork, clothes, toiletries and (soon to be) plants is very important to us as is making sure your rooms are safe and clean for you to move around. This is a great way to prevent falls and all other injuries. Another important topic is the Virtual Dementia Tour, which has been rescheduled. It is important that we all experience what our loved ones go through on a daily basis. Nikki, myself and all of our staff urge family members to sign up for this class. It is beneficial for numerous reasons and we hope to see you there. Please feel free to sign up with any of the Directors or Staff. Lastly, please keep an eye out for our monthly informational pamphlet. This will

Marion, showing off one of the Vintage Dolls our wonderful Red Hat Society brought in for a demonstration.

Aly and Ralph having fun in the photo booth! We love your hat and glasses!

HYDRATION STATION

Keeping yourself hydrated helps the body more easily pump blood to the muscles. It also helps the muscles move more efficiently. For most people, water is the best thing for hydration. Sources of water include foods such as fruits and some vegetables with high water content. Various sports drinks such as Powerade are also hydrating, however, they are high in sugar and calories. Please don't be afraid to ask any of the staff to help you with fresh cold water or a frozen treat, as the seasons are beginning to change. It can get dry in our facility so please let us know if you are in need of anything refreshing! Thank you!

Please remember to hydrate and drink your fluids! If you need fresh water or a cold frozen treat, please let us know!

Future Fun

Dates to Remember

Sunday, April 9th @ 12pm we have our Doggy Fashion Show! All families are welcome to join! We would love to have you! We also have Tichigan Two performing on the 13th in the main building and the 20th in M.C. @ 2PM. Our monthly Birthday Party will be April 28th @ 2PM in AV2 dining room. We will have some new entertainment joining us that day! We look forward to seeing everyone!

Please email Kayla in Activities with your current/updated email. I want to utilize email as much as possible. It's a great way to keep in touch with all of our great families here at Arbor View Communities. I look forward to hearing from all of you!

SPOTLIGHT RESIDENT OF THE MONTH CONNIE RODRIGUEZ

Connie was born and raised in Louisville, Kentucky. She has a very large family with 3 brothers and 6 sisters. After moving to Illinois from Kentucky, she attended Atherton School out of the city of Chicago. After her schooling Connie worked at a doctor's office doing medical billing and coding. Helping others is a passion of Connie's, not only with people but animals too! She worked as a vet tech. to support herself and her only daughter Stephanie. Stephanie is Connie's only child, but has given her 3 grandchildren, with one on the way! She is so excited! Some of Connie's favorite things are; sweet treats, the smell of lavender and roses, and game shows such as Jeopardy and Wheel of Fortune. Connie loves musics of all types, but some of her favorite artists are Pink Floyd and Jannis Joplin. She has owned fish, cats, and dogs (Barney and Tabitha). We are so blessed to have this gorgeous lady as a part of our Arbor View Family! We love you, Connie!

SPOTLIGHT EMPLOYEE OF THE MONTH BRETT CADD

Brett is our resident for the month for April. He was born in Racine, Wisconsin and graduated from Waterford High School. He plans on getting his CNA license as well as a Nursing Degree within the next few years. Some of his favorite things are reading, football and outdoor adventures. This includes hunting, fishing and any other ATV or outdoor sporting activities. Brett was blessed with a little girl Marylynn (May May) who is now three, soon to be four. Spending time with his daughter, taking her on new adventures and teaching her everything he can, is what he aspires to do most. Future goals of Brett's are: getting his degree, traveling the world, and living life to the fullest and best he knows how. We are so lucky to have Brett as a part of our Arbor View Family and cannot wait to watch him grow with his goals. Thank you for always putting in the extra effort for all of us; it doesn't go unnoticed! We love you!
